## Certification of degree team will mark proud milestone

A proud milestone in the ever enriching history of Seton Knights will occur Monday May 5 when the council's newly formed degree team experiences its First Degree certification night during initiation of several Seton Council candidates into the First Degree.

Candidates' call is scheduled at 7:30 p.m. with ceremonies set for 8 p.m. Grand Knight Charlie Tagliareni urged council members to "make every effort to attend this very special occasion in council history."

Degree Team Chairman Bob MacDonald commended those involved for their diligence in forming the team. The team has been involved in a series of meetings in preparation for the May 5 program. Additional openings remain for Knights interested in joining the team. Current members by position on the team are:

Grand Knight, Charlie Tagliareni; deputy grand knight, Bud Joos; financial secretary, Fred Barwick; chancellor, Rob Allen; warden, Joe Rossi; speaking inside guard, Bob Snider.

**Second and Third Degree Initiation ceremonies will be held April 23 at Council 2890 at the intersection of Fisher and Hague Roads.**

## Greater support urgent

Church Activities Chairman Bob Wolf has voiced an urgent appeal for greater council participation at the monthly Knights-sponsored First Friday evening benediction, all-night adoration of the Blessed Sacrament and First Saturday Mass.

"Beginning with 8 p.m. benediction May 2 and concluding with Mass at 9 a.m. May 5, we need to show our commitment to this program, which we sponsor. Recent attendance has been very low."

## Monday's agenda noted

A vote is scheduled at Monday's business meeting on purchase of a \$600 "hands extended Lady of Grace" statue of the Blessed Virgin Mary for use during council meetings and in the church.

Other discussion will include these early nominations for the June election of officers for the 1997-98 council year:

**Grand Knight — George Williams**  
**Deputy Grand Knight — Charlie Giametta**  
**Chancellor — Bob Wolf**  
**Treasurer — Bob Swiderski**
