Dear Brother Knights:

Thank you again for your vote of confidence in electing me as your Grand Knight for the year 2000.

I have just completed my first month on the job and have already experienced a major setback. The new Seton Parish 2000 directory is out, and yes, I know the Knights are not included in the listing of church organizations. I will be in contact with the powers that be to assure that this does not happen again next year. All this means is that we will have to do a better job of promoting our organization to anyone in the parish that we think might be interested.

I am happy to report that Ed Chinnoek has answered my request from last month's newsletter and has volunteered to serve as the Council Pro-Life Director. We still need membership co-chairmen. Past Grand Knight, Fran Vendetta, has agreed to serve as the membership retention chairman.

Elsewhere in this newsletter, you will find a copy of our calendar for the entire fraternal year. Some **VERY IMPORTANT** dates in the coming month are:

AUGUST 5TH, First Saturday Mass and installation of the new officers by District Deputy Dan Higgins. The new officers should definitely attend and should also request that their spouses and/or families be in attendance for the ceremony. Any 4th Degree Knights in the Council should attend in full regalia (if possible). Extra 4th Degree regalia will be available for those Sir Knights not having their own.

AUGUST 19TH, ADULTS ONLY social night. My wife Lorraine and I will host a BBQ/POOL PARTY for all the Knights and their guests. Council will provide meat and drinks, we ask that you bring a dish/dessert to share. PLEASE bring your own towel, if you plan on going into the pool. An RSVP is needed to properly prepare for this fun event. Please RSVP at: 837-0084 or return the enclosed card to my church mailbox.

AUGUST 27TH, SETON OPEN GOLF DINNER in Hermann Hall. Bernie Holland and Jim Meelia have agreed to serve as co-chairs for this event. They are going to need help so please contact either of them to volunteer your services.

AUGUST 28TH, SOCIAL MEETING in Hermann Hall. This social will be a pizza party to welcome all new Brother Knights who have joined the Council since July 1, 1999. Of course ALL Knights are welcomed to attend. This social meeting will include spouses, so please bring your LADY along so that you will both have the opportunity to meet your fellow Knights and their Ladies.

Fraternally Yours,

Joe Rossi

Dear Brother Knights,

The following information was obtained while surfing the Supreme Knights of Columbus web pages concerning the history of the 3rd Degree Emblem. I thought it would be interesting to share this with you.

The Emblem of the order dates from the Second Supreme meeting, **May 12, 1883**, when it was designed by **James T. Mullen**, who was then the **first Supreme Knight**. A quick glance at the emblem indicates a shield mounted upon the cross of Malta. The Shield is that associated with a medieval Knight. The Cross of Malta is the representation in a traditionally artistic design of the Cross of Christ through which all graces of redemption were procured for mankind. This then, represents the Catholic spirit of the Order.

Mounted on the shield are three objects, a **mace** standing vertically, and crossed behind it, an **anchor** and a **dagger** or short sword. The mace from Roman days is symbolic of authority that must exist in any tightly bonded and efficiently operating organization. The anchor is the mariner's symbol for Columbus, patron of the Order. While the short sword or dagger was the weapon of the Knight when engaged upon an errand of mercy. Thus, the shield expresses Catholic Knighthood in organized merciful action and with the letters K of C, it proclaims this specific form of activity.

The red, white and blue in the background of the shield of the Cross of Malta are the colors of our beloved country. **Red is the symbol of stout hearted courage. Blue is the symbol of hope. White is the symbol of nobility of purpose.**

Faith...Hope...Charity...

Red is then the symbol of Faith, of belief in Christ, in the Redemptive and in the mission of every man to spread the knowledge and love of Jesus Christ. **White** is the color of the Eucharist, symbolizing that God's presence among men. **White** is then the symbol of Christ like Charity. **Blue** is the color of our Lady's mantle, in which she draped her beloved Son, through whom salvation came to a sinful world. **Blue** is then the symbol of Hope.

Hope you enjoyed this little bit of history.

Fraternally Submitted,

Fran A. Vendetta, PGK

**Red Feels
as GOOD as It Looks!**

THE MILLENNIUM AND OTHER HYPES

Have you noticed that the word MILLENNIUM is being used less and less in our news and even less in our conversations? Over half of the year 2000 is history. Of course some argue that the millennium will not start until we have completed the year 2000. But it is a fact that the hype has disappeared.

Have you noticed that also the POKEMON frenzy has all but disappeared from the scene although I did see a POKEMON promotion in the newspaper the other day?

Have you noticed that ELIAN GONZALEZ has been in the news rarely after his father took him back to Cuba?

Have you noticed that we talk less about the price of gasoline than we did two weeks ago?

The higher the hype the sharper the decline into oblivion

But also notice there are some happenings in this world of ours that are there day after day. These are the events that we keep our feet connected to the ground and make us feel comfortable. I'm thinking of the sunrise and sunset, the seasons of the year, the comic section of the newspaper, the holiday seasons of Christmas and Easter, family, and friends.

I think about the years of World War II, the years of college at OSU, and the people that became a part of our lives when we moved to Amarillo, Philadelphia and then back here where we started. There was always Sunday mass that was a constant in our life. The Church was the rock below our feet. It was a solid footing during the Cold War when the two powers could have blown up the world. It was the foundation upon which we built our 45 years of marriage and raised our six children.

We Knights of Columbus should feel especially grounded since our lives are grounded in faith. Since Council 11187 was started in 1993 I became active in the Knights. One reason that I was not active before was the atmosphere at most councils. Those councils seemed to be a place where parish support was secondary to more fund raising for building maintenance and paying the mortgage.

As an officer of Council 11187 I will be contacting you, especially those that we have not seen at our functions or our meetings, to get you involved in one of our many projects. Remember that the calendar in this newsletter notes only the outward activities. There are many committees upon which you can serve that will gratify your need to support your parish. Our faith is the rock under our feet enabling us to stay grounded in this hyper world.

Your Deputy Grand Knight,

Francis "Bud" Joos

Knights of Columbus Council 11187 Shirts

If you have been *admiring* the nifty blue shirts worn by many members of the Council, then you almost *certainly* would like to order one (or more) for your very own. However, you have been wondering around frantically searching for the store that sells them with no luck, Look no further! Fill in this order form, drop it in Past Grand Knight Charlie Giametta's Church mailbox (with a check), and your shirt(s) will magically appear. (OK you really have to pick them up at a meeting)

Golfers must register at the course at 6:30 on the day of the scramble.

1. Each team will consist of four players based on handicap. The teams that have a player missing on that day will be instructed on how to play their round.
2. Each golfer will hit from the white tees on each hole. The team will select the best ball for their second shot and each golfer will hit again from that spot. This will continue until the ball is in the hole. If a golfer puts a ball into the hole before the rest of the team putts that must be counted as an added stroke.
3. Teams may move the ball one club length but no closer to the hole. However, the ball may not be moved from the rough, sand trap, from out-of-bounds, or from a hazard.
4. Your \$10 fee payable at the sign-up; \$5 will be for the first, second and third place teams. \$5 will be for the TOSS. A toss cannot be used in any shot described in number 3 above; from the rough, etc. The toss will not count as a stroke. Each player has one toss; in other words, one player cannot use all four tosses. Mark the card for each player's toss. This fee is payable the morning of the scramble to J. B. Boblett.
5. All teams must use at least one from each player off the tee. Par-threes cannot be counted as tee shots. Mark on the score card whose drive was used on each hole.
6. Please turn in your score cards to J.B. Boblett at the end your round. The last group will be responsible to pick up the skill prize sheets.
7. Thanks for playing in the league and the scramble. Party to follow at Bud & Terri Joos' house after all the golfers have finished. We will present the prizes at the party.
