## HAPPY NEW YEAR

*Dear Brother Knights,*

HAPPY NEW YEAR!!! I hope the New Year finds all of you in good health and that each of you had a joyous Christmas and were able to celebrate with family and friends.

Just as the birth of the Christ Child brought a new beginning to the Church, this time of year inspires many people to make New Years resolutions to affect a new beginning in their lives. Some of us will promise to lose weight, start exercising or to quit smoking. These are all great objectives and I hope we all can improve our physical lives - I know I need to lose more than a couple of pounds - but I'd like to ask that we all resolve to further the cause of the Knights of Columbus. During times like this, we all need to make an extra effort to support our Church and Priests. Our continued presence in the parish and community coupled with our charitable works are a positive message to those around us. Invite someone to join the Order so that we can extend our message further.

I'd like to take a moment to recognize some of the many things we have accomplished in the last month. We had a very successful Pancake Breakfast that benefited the Seminarians at the Josephinum. The seminarians appreciated the show of support and the opportunity to experience "parish life" and I heard from several parishioners that they appreciated the opportunity to meet and talk with our future priests. The same morning we were fortunate to have a visit from Santa that was well attended by the children of the parish. Santa, his elves and helpers were all kept busy taking pictures and handing out treats.

This year for the first time, we expanded our Community involvement by ringing the bell for the Salvation Army. Thanks Rusty and all the bell-ringers for assisting in this charitable event. Once again, those Brother Knights that can carry a tune joined voices and sang for the parish in the choir.

This month we will be hosting a First Degree at the Pontifical College Josephinum. At this time, 15 Seminarians plus candidates from our Council are slated to become Knights of Columbus. This is a unique opportunity for our Council and the Order and I encourage as many of you as possible to attend.

We have many other activities that will be kicking into high gear very soon including but not limited to March for Life, Free Throw Contest, Pancake Breakfasts, Monte Carlo and the Fish Dinners. Each of these events would benefit from your participation and/or attendance. If you would like to co-chair or help with any of these events (or other events) let me or any of the Officers and Directors know you're interested.

Fraternally in Christ,

*Neil Ferguson*

Grand Knight

### **GRAND KNIGHT's Report:**

Express my regrets for missing the meeting and extend my Holiday greetings to the Council.

Once again, the Coat collection for the Rosemont Center was a great success. In addition to the 90 coats that were requested, we collected an additional 25 coats. Thanks a lot to Joie Petersen for running this event again this year.

The Marion Icon prayer service this past month was very moving. Attendance could have been better but we did have almost 40 people.

We'll be hosting a First degree at the Josephinum on Jan 19. This is a unique opportunity to welcome the seminarians into the Order. We'll be bringing as many candidates as we can from our Council. It would make a great impression if we can fill the room with Brother Knights.

The Columbus Chapter sponsored Keep Christ in Christmas billboards again this year. Our Councils billboard is located on Cleveland Ave, 25' South of Ferris.

I'd like to recognize an individual that our council has come to depend on over the years. This Knight developed the clergy prayer calendar that you've all seen in the bulletin each month. He also arranges for a priest to celebrate our First Saturday mass each month. In addition, he put together the Marian Icon and hour of prayer that you heard about earlier. Our Knight of the Month for December is Ray Creamer.

## *Knights in Need Program*

*"A Lifetime of happiness comes from helping others". State Chaplain Bishop A. Edward Pevec.*

Our Council wants to continue to do good deeds for our fellow Knights. Up to now we have been helping our brother Knights on a rather sporadic, informal basis and not as part of a special program. This article is to let everyone know that we want to help, but we need information from you. We know that there are some members that could use a little help at times. This might take the form of transportation, minor home repairs or even baby-sitting when you or the spouse are not able to do so.

If you're in this situation or know of a fellow Knight that could use some help along these lines, please contact:

Neil Ferguson 751-1589  
John Samborsky 837-2606  
Bud Joos 837-7211

## *Squires Circle Now Forming*

**Do you know any Catholic boys between 10 and 18 years of age?**

**Are you interested helping the young men of our parish live their religion?**

Why not ask them to consider joining the Knights of Columbus Squires program for Catholic boys? And consider volunteering yourself! We are organizing a Squires Circle in our council. This wonderful program allows boys to participate in activities much like their older role models do in the Knights service, religious and fun activities.

We need a minimum of 10 boys to start the Circle. They must be practicing Catholics but their fathers do not need to be Knights, nor do they need to be members of Seton parish. We also need counselors to advise the boys. The counselors must be Knights in good standing (though not necessarily from our council). A father and his three sons from the Squires Circle at Our Lady parish have agreed to help us form the Circle.

There will be a meeting January 18 at 1:00 pm for all boys and men interested in the Squires - check the Seton bulletin for the exact time, date, and location.

Please contact Jim Thesing, Harry Clyborn or Edd Chinnock (740-927-5099) if you have questions about the Squires or know of boys who are interested in the program.

## *Over 30 Million Babies Killed - and Still Counting!*

Since the Supreme Court's Roe vs. Wade decision legalizing abortion, over 30 million innocent children have been killed in the name of 'choice' - and thousands more are added to that list each day. The practice of inventing rights to bypass the will of the people and their legislators started with Roe vs. Wade, but continues unabated today. Within one day of President Bush signing into law a ban on the horrific practice of 'partial birth abortion' judges in two states slapped restraining orders on enforcement of the law. This bill was passed by an overwhelming majority of Congress and is supported by a huge majority of the people of the United States, but two judges decided they know better than everyone else.

It was once said that in **order for evil to triumph, all it takes is for good men to do nothing**. The abortion decision is a good example of this - people find excuses to do nothing, even when they oppose abortion. People say they don't want to impose their morals on others, even though we must obey laws setting moral limits on our daily activities. People say it is the woman's right to control her body, but conveniently ignore the rights of the baby. People make exceptions for rape and incest, even though it isn't the child's fault. And, perhaps worst of all, pro-abortion advocates ignore and hide the harm that is done to women by sleazy doctors, botched abortions (there are more botched abortions now than there were before Roe vs. Wade), and unsanitary 'clinics'.

### **Now is your chance to actually do something!**

There are three things you can do:

- 1. Go to Washington D.C. on January 21 and 22 and participate in the 31<sup>st</sup> Annual March for Life.** This wonderful event dramatically shows our Congressional representatives how we feel about abortion. Contact Edd Chinnock for information.
- 2. If you can't go to the March, attend the Life Mass at Seton parish at 7:00 on January 22.** Pray for an end to abortion and the healing of those hurt by this awful practice - mothers, fathers, doctors, nurses and all those involved with the 'culture of death'.
- 3. Vote for presidents, senators, representatives, and judges that are pro-life!** Write to your representatives and express your opinions and encourage them to approve pro-life judges who will respect the constitution.

## *Knights and Ladies,*

On behalf of the Crank's Creek Christmas project, I would like to thank all those Knights who so generously donated desserts for the group that went to Harlan County last week. We all know how precious time is at this time of year, and the fact that you took time from your busy schedules to help is a tribute to the spirit of the Knights. Sixty five parishioners volunteered 3 days of their time to deliver food and gifts to those less fortunate, and we made their lives a little easier by providing desserts. Once again, Knights were asked to perform a service, and we came through with flying colors. Thanks to the following Knights and their families: Paul Caravan, Tom Blaies, Daniel Bauer, Steve Kolecki, Mike Croyle, John Morrison, Ray Creamer, Mike Sergio, Wayne Patterson, Joe Coffey and Neil Ferguson. Your generosity is greatly appreciated.

*Lady Kathy Ferguson*

## *Eucharistic Adoration*

Remember that the Monday 5-6 am is our Council's Eucharistic Adoration hour. This opportunity is open to any Knights not just those who attend meetings and sign up. We invite all Knights to help in this "Adoration Hour". Any interested parties can contact me and I can add them to the list. My phone number is 863-6419.

Thanks, *Ray Creamer*

## *JANUARY: Seven Resolutions for the New Year*

Schedule a visit with your Knights of Columbus field agent. First things first: Life insurance can protect your family if something should happen to you. Before you do anything else, be sure that your family will be protected - come what may. As your field agent I can provide you with a no-obligation family needs analysis. Just give me a call!

Don't spend more than you earn. We all expect our government to balance the budget, but what about our own personal finances? Living within your means is actually more important than earning a big income to gaining a sense of security and personal satisfaction.

Save more by avoiding unnecessary expenditures. Unless you achieve self-discipline, you'll never be able to save for the future. If it's a mystery just where your money goes, try saving the receipts for every purchase you make during a month.

Take advantage of all savings options available to you. Everybody likes ways to cut taxes - and you probably have one or more savings options that can cut your taxes for you. (P.S. Ask your Knights of Columbus agent about tax-deferred annuities, IRAs and Roth IRAs in the U.S. and RRSPs in Canada.)

Adopt a long-term perspective. Beware of get-rich-quick schemes - few of them work for ordinary people. Instead, patience is the more productive approach - and it requires less of your daily energy as well. A long-term outlook is even more crucial if your financial goals (higher education for children, retirement) are well in the future.

Trim down your high interest debt as fast as possible. Would you have bought that \$1,000 big-screen TV if the price were \$1,180? That's what you'd pay if you added the 18 percent annual interest typically charged by a store credit card. Even if you're loath to tap your savings account, you'll come out ahead by using it to liquidate a high-interest debt that's been hanging around for months...if not years.

Be prepared for unexpected expenditures. When these occur, it certainly helps to have some money in reserve. Some examples of these expenses might include a tax bill, vehicle repairs or purchases, moving costs, unanticipated home repairs - maybe even a discretionary purchase, such as a big-screen television.

*Lloyd Stauffer*

## **WANTED!!** KNIGHTS in SERVICE

### **WE NEED YOUR HELP !**

On January 11th, our Pancake Breakfast will benefit the "Knights in Need". For this event we will need a lot of help. Early and late shifts are available and it would greatly help if you email Pat at the address below and let me know what you can work.

Thank you to all who have served, and please consider serving now. If you have not been able to volunteer in the past don't let that stop you now. Any time that you can give is greatly appreciated, even for an hour or two. There are many demands of our time, especially with younger families, and we all understand.

The best help we can receive is for YOU to bring your family and friends. The food is good and the price is right, and even if you are unable to work, do not let that keep you from enjoying the fellowship of our Parish Community.
