## School Starts!!!

1 August 2010  
Volume 17  
Issue 10

Dear Brother Knights,

It is hard to believe that we are into August already. It seems that summer just gets started and it is over before you know it.

August is a very special month for our Parish. On August 13<sup>th</sup> and 14<sup>th</sup> Seton Parish will be hosting the first ever Crossing the Goal Retreat for men of the Parish. This Retreat is the first of thirteen such Retreats planned for around the country and led by Danny Abramowicz from EWTN Television. Our Council is helping with the logistics of this Retreat and I hope that many of you will consider helping us with meals, traffic control, ushering, etc. If you would rather fully participate in the Retreat then I encourage you to register now at ColumbusCatholicMen.com

August 15<sup>th</sup> is the feast of the Assumption of Mary, our Patroness. Please be sure and take a few minutes to honor the Mother of God and thank her for her many intercessions.

August 20<sup>th</sup> through August 22<sup>nd</sup> is our annual Parish Festival. I am sure that many of us will be involved in various capacities to make it a success. Our Order is all about service as we all know and I am sure you will do your part.

I am very happy to present to you our new Program Directors for the coming Fraternal Year. All positions have been filled except one and I am hopeful that void will be filled very soon.

Church Director - Jerry Lowery  
Youth Director - Jesus Garcia  
Family Director - Mike Phillips  
Council Director - DGK Tim Bowie  
Membership Director - Mike Croyle  
Community Director - Open  
Right to Life Director - Edd Chinnock

I sincerely hope that you will be able to cooperate with these Brother Knights if you are called upon for service. The strength of the Order and our Council is the quality of our service programs. Please express your thanks to these men, as I have, for "stepping up to the plate".

In closing, I would like to encourage you to be sure that you read all of your emails that are relative to your Council. I will use this resource to communicate a lot of information to you. Those of you who choose not to attend your regular monthly meeting will at least know what we are doing, and for those of you who do attend regularly it will help us to shorten the meetings. **NOTHING THAT REQUIRES A MEMBERSHIP VOTE WILL EVER BE CONVEYED IN AN EMAIL HOWEVER.** Please consider supporting me and your fellow Officers by attending the meetings if you can.

Prayers for all of you and all of your families.

Vivat Jesus!

## Business Meeting Minutes - 14 July 2010

Before the meeting opened, the Council handed out awards to the following individuals:

Tracy Middendorf was awarded for her service to the Council and the Parish.

Nick Faga from the Boy Scouts Troop 1147 was given a check for his community project of painting a shed and mulching at Harmon Middle School.

Meeting opened at: 7:40 pm with prayer and POA.

Roll of Officers: Chaplain, Lecturer, and 2<sup>nd</sup> Year Trustee all excused.

Reading of the Minutes: A motion was made by Edd Chinnock to accept last months minutes as written, seconded by Mike Croyle. Motion passed.

**Chaplain's Report:** No Report

**Grand Knight's Report:** Harry Clyburn

At the Chapter meeting they discussed on keeping the Keep Christ in Christmas Billboard up for \$XXX. Wayne Patterson suggested that we use the magnets to spread the message to the people, and will bring magnets to the Chapter meeting to save local Council's shipping charges.

We will be working hard this year on recruiting new members and retention of current members. Harry wants to personally speak to any brother before they decide to leave the Council.

Council Program Director Frank Hare will be talking to all program directors in the field.

Please read your emails. Harry will be mostly communicating to everyone in this way, and it will keep meetings short. Please remember the retreat on August 13<sup>th</sup> and 14<sup>th</sup>.

The church production of Moses and the Fish Fry were scheduled on the same night. We are not having a Fish Fry on March 25<sup>th</sup> and instead will have it on March the 17<sup>th</sup>, and the St. Patrick's Day party on March 18<sup>th</sup>.

**Report of Admissions:** No Report

**Treasurer Report:** Brother Glavan reviewed the Council budget for the year. Brother Harry called for a vote to approve the budget as presented. Paul Caravano made the motion for a vote, and it was seconded by Frank Hare. There was a discussion and the motion to approve the budget passed.

Brother Glavan also wanted to make sure we receive the State delegate rebates, and Wayne Patterson and Mark Knight have not received any at this time. They both will look into this rebate.

Brother Glavan listed the balances of our accounts

**Financial Secretary Report:** Reading of Receipts and Bills by Mark Borys.

**Trustee's Report:** No Report.

**Membership:** Mike Croyle stated that we should have one new member by the next meeting, and we will have a 1<sup>st</sup> degree in September.

**Chancellor's Report:** No Report from George Schneider.

**Church Director:** Jerry Lowery stated that we installed the plate

for Tom Patterson. He thanked Bill, and Ray for the funeral support.

**Council Director:** No Report

**Youth Director:** No Report

**Squires Report:** Mark Knight stated that we sent 4 delegates to the State Convention in Newark. We placed first in Special Activities, bowling, corn hole etc. We have 13 current members in the Circle. Last meeting was June 17<sup>th</sup>. They will be working on Grounds Clean-up, and they are planning a Clippers Game trip in the near future. They should have one more candidate by July 25<sup>th</sup>. The Squires will be using the wall opposite the Council wall for hanging their awards in the church.

**Respect Life:** Edd Chinnock stated that there will be a great movie coming out at the Arena Grand. Blood Money will show August 2-4<sup>th</sup> at 6:30pm each night. The Columbus Right to Life will need help collecting tickets for 1 night. Please see Edd if you are interesting in helping out this great cause.

**Report of Standing Committee's:**

**Magnet Sales:** We will be shipping out using flat rate boxes from the Postal Service from now on, and I will be re-boxing all shipments. We are not buying a new pallet of magnets this year due to having over 6,500 in inventory. Each pallet costs \$XXX, so we have to have that in reserve for next year.

**Communications:** No Report

**Old Business:** Tim Bowie spoke about the upcoming retreat on the 13<sup>th</sup> and 14<sup>th</sup> of August. We need at least 40-50 workers to cover the food for the event, and there will be at least 40-50 attendee's. Please support this retreat in anyway possible.

**New Business:**

Jerry Lowery made a motion for \$XXXX to replace the broken refrigerator in the PAC. Wayne Patterson seconded motion. We will post and vote on this next month.

Wayne Patterson spoke on needing someone to help install non-flammable back splashes behind the stoves in Herman Hall and in the PAC. We will contact Bob Nickel to see if he can do it.

Harry Clyburn spoke on behalf of Brother Dan Heitmeyer who helps run the Violet Festival. Dan is going to need someone to help man the gates, and collect entrance money and put on wristbands for 4 days of the Festival. We would get paid if we staffed one or both entrances. After much discussion the Council agreed that it was too short of notice to staff this correctly, and we would have to deal with the negative association of collecting the fees for the Festival, which has been free in the past few years. The Council decided to pass on this for this year, and would be open to do it next year.

**Field Agents Report:** No Report.

**District Deputy Report:** No Report

**4<sup>th</sup> Degree Report:** Brother Bog is the Navigator and spoke regarding an Ice Cream Social next weekend in Herman Hall at 6:45pm.

**Lecturer's Report:** No Report

**Prayers:** Please keep the following in your daily prayers: all military personnel, active or veteran. All brothers in need, and all the sick in our parish. The following list also should be kept in our prayers this month:

Veronica Mowery and Family, Dottie Allen, Caroline Hare, Edward Raymond, Maureen Patterson, Margie Patterson, Anita Bloomfield, Richard Hall, Rusty Boehm, Angela Ebert Henderson, Bud Joos, Jan Hartman, Frank Kavenaugh, Dave Adams, Christine Krajewski.

Harry Clyburn led us in the closing Prayer, and we closed the meeting at 8:56 pm.

### PRAYER BEFORE STARTING WORK

My Heavenly Father, as I enter this workplace,  
 I bring your presence with me.  
 I speak Your peace, Your grace, Your mercy,  
 and Your perfect order into this office.  
 I acknowledge Your power over all that  
 will be spoken, thought, decided, and done within these walls.  
 Lord, I thank you for the gifts You have blessed me with.  
 I commit to using them responsibly in Your honor.  
 Give me a fresh supply of strength to do my job.  
 Anoint my projects, ideas, and energy,  
 so that even my smallest accomplishment  
 may bring You glory.  
 Lord when I am confused, guide me.  
 When I am weary, energize me.  
 When I am burned out, infuse me with the light of the Holy  
 Spirit.  
 May the work that I do and the way I do it bring  
 Faith, joy, and a smile to all that I come in  
 contact with today. And oh, Lord,  
 when I leave this place, give me traveling grace.  
 Bless my family and home to be in order as I left it.  
 Lord thank You for everything You've done,  
 Everything You're doing and everything You are going to do.  
 In the name of Jesus I pray, with much love and  
 Thanksgiving  
 Amen

## August 2010

From the `Days of Devotion by Pope John XXIII`

This is the last of the series about the prayer the `Our Father`

### “Deliver Us from Evil”

The Devine prayer that Jesus taught us on the Mount, and which should give us nobility, purpose and wisdom to every day in our lives, ends in a final trustful appeal to God Almighty, that He may save us from the EVIL ONE: “Deliver us from evil.” (Matt 6.13).

Human nature is subject to temptation, and it’s mans surrender to this that constitutes the gravest threat and danger to his freedom and dignity.

Unhappily “the whole world is in the power of the EVIL ONE.” (1 John 5, 19). For our preservation from this we count on the merciful assistance of God, but we must ourselves cooperate with all our will power, determined to be on guard against evil and the spirit that inspires and prompts evil desires.

In one of the most sacred and tender moments of the Mass, immediately after the “Our Father”, the Church repeats the prayer, which comes from our hearts in this moment of time: “Deliver us, we beseech thee, O Lord, from all evils, past, present and to come, and by the intercession of the blessed and glorious ... Mother of God..., thy Apostles Peter and Paul and Andrew, and all the Saints,” who have watched over the Church for many centuries, “mercifully grant us peace in our days that through the bountiful help of thy mercy we may always be free from sin and secure from all disturbance”, through the merits of Jesus Christ our Savior.

This completes the series take from the Meditations of Pope John XXXIII. I hope that you enjoyed the series as much as I have in presenting the series to my brother Knights.

## Respect Life: Restricting Freedom of Speech

The hubris of our elected officials sometimes seems to know no bounds. They are again trying to restrict our freedom of speech, this time by preventing people from finding out what they are up to. They are trying to set up legal minefields that they hope will deter disfavored organizations from effectively communicating with the public about the public policy agenda of the current Administration and of the dominant faction of the majority party of the current Congress.

The administration and its congressional supporters are pushing hard for quick enactment of a bill that would place extensive new legal restrictions of the ability of corporations - including incorporated nonprofit citizen groups - to communicate with the public about the actions of federal lawmakers. This bill would prevent organizations such as National Right to Life from spending money to communicate with the public about the actions of federal officeholders. Of course, they exempt labor unions from these rules because they are generally considered allies of the current administration. Many of our "representatives" in Congress seem to be doing everything in their power to prevent us from knowing what they are doing! What don't they want us to know?

The bill, called the "Disclose Act", was crafted in response to a ruling of the US Supreme Court that invalidated federal laws and regulations that prevented an incorporated group from buying TV ads promoting a movie critical of Hillary Clinton while she was running for president. The court ruled that the First Amendment protects the rights of corporations to spend money on communications that criticize or praise those who hold federal office.

Congressional leaders moved rapidly to craft this legislation and put the new restrictions into effect as quickly as possible in order to mute outside organizations as much as possible before the November elections. One Rep. Michael Capuano (D-Ma) voted for the bill and said: "I have no problem whatsoever keeping everybody out. If I could keep all outside entities out, I would."

Opponents of the bill commented: "That Congress would respond to a Supreme Court decision affirming corporations' freedom of

speech by restricting that freedom to an even greater extent than it did before the decision is remarkable. The attempt is unlikely to withstand judicial challenge, but the courts won't have time to rule on the constitutionality of the act before the 2010 election is over." An array of organizations, including NRL, the NRA, the Chamber of Commerce, and the Family Research Council are vigorously lobbying against the bill and have been able to postpone action on it.

The NRL Committee sent a strongly worded letter to House members that included the statement: "Enactment of such a law is not a curb on corruption, but is itself a type of corruption - a corruption of the lawmaking power, by which incumbent lawmakers employ the threat of criminal sanctions to reduce the amount of private speech regarding the actions of the lawmakers themselves."

### TAKE ACTION NOW!

Please immediately contact the office of your representative in the House and the offices of both your Senators to urge them to oppose the so-called "Disclose Act" (HR 5175 in the House and S 3295 in the Senate.

Tell them you are strongly opposed to incumbent politicians trying to restrict the free speech of organizations about the elected officials who are supposed to represent us and you view this as an attack on the First Amendment.

Call the US Capitol switchboard, 202-225-3121, and ask for your representative.

You can reach both Senators the same way at 202-224-3121.
