Happy St. Patrick's Day

Dear Brother Knights,

This month's business meeting is **Wednesday, March 14th** at 7:30 PM. If you like, we normally pray a Rosary at 7:00 PM before the meeting and have refreshments afterwards in the kitchen. We cover a variety of business topics, discuss and plan our upcoming activities and usually have a very entertaining bit by our Lecturer, Brother Bud Joos.

Lent! Here we are in the middle of another glorious part of our Church Calendar year. I hope and pray that each and every one of you is finding your Sacrificial abstinence and Alms giving a blessing in your life and an opportunity to come closer to Jesus Christ. If you need a little deeper prayer life and contemplation, there is plenty of opportunities right here at Seton or throughout the Diocese. Consider the Stations of the Cross, Living Christ Retreat, Parish Lenten Mission on 3/18-20 or Perpetual Adoration. This month's **Fish Fry's continue on March 23rd and 30th** - come and enjoy... Eat a little, Work a little or a lot!

The Knights of Columbus stands with the United States Conference of Catholic Bishops in opposition to the recent decision by the Department of Health and Human Services (HHS) to force Catholic employers including hospitals, universities, and charities to provide health insurance that covers contraception and sterilization.

The new rule from HHS gives Catholic institutions until August of 2013 before it begins forcing insurance plans to cover all FDA-approved contraceptive methods and sterilization procedures, including several drugs that induce abortion. The mandate will force individuals and groups with religious or moral objections to purchase and provide such coverage. More information is available

Please send a message to your elected representatives in Congress by visiting the following site: <http://nchla.org/actiondisplay.asp?ID=292>, bi-partisan legislation would ensure that federal mandates do not violate the deeply-held moral and religious convictions of our citizens.

NOTE: 2nd & 3rd Degrees are scheduled for Sunday April 22nd. The 2nd Degree will start at Noon, the 3rd at 1:00 PM St. Andrews Activity Center 3880 Reed Rd. Columbus, Ohio 43220-4829 Contact Mike Croyle 614-361-3183.

Wish a Brother a Happy Birthday this month!

Brothers, whenever you're around Seton Parish for meetings or activities - wear your **blue shirts** proudly, it's great advertisement and don't forget to ask the men around you - are you in the Knights. It's a great way to get them involved or back involved.

Business Meeting Minutes - February 8, 2012

The meeting was called to order promptly at 7:30 by Grand Knight Tim Bowie

All officers ... with the exception of our Chancellor and Two Year Trustee ... were in attendance, with the Recorder just squeezing in under the wire as the roll was being called. Thanks Glen for standing in for me and learning the correct pronunciation of Joos along the way.

The minutes of the last meeting were motioned approved as read by Edd Chinnock, seconded by Wayne Patterson and passed.

Chaplain's Report: No report ... but he did arrive later.

Admissions Committee: Reminded all of the reading of Michael Katchmar and the possibility of a First Degree Ceremony on Leap Day ... Wednesday, February 29th.

Grand Knight's Report: G.K. Tim Bowie then wished Happy Birthday to all February celebrants ... with apologies to Brother David Oboy for the misspelling of his name in the newsletter.

The G.K. then requested help for the upcoming Pancake Breakfast on February 12th. Please make your calls on the Phone Tree and welcome any new bodies arriving. Make them feel part of the crew. Tim also announced the cancellation of the Squires Pancake Breakfast scheduled for February 19th as many of the boys will be out of town on the confirmation retreat or otherwise unavailable.

Tim then mentioned that the normal officers' meetings scheduled on the first Saturday of the month are for any member to attend, especially if they are planning to present something for the council to sponsor. He then spoke of conflicts with the next two first Saturday's due to the CMC and Easter. It was decided that Saturday, March 31st would be the next Officer's Meeting to cover a two month span of information. Put it on your calendar.

G.K. Bowie then reminded all of following events ... the Wives Appreciation Diner on February 18th, the Columbus Diocesan Meeting to be held here on February 19th for one of our kick-off meetings, (Mike Sillings will chair that event) and Ash Wednesday coming on February 22nd.

Tim continued on with readings and requests. The Josephinum asked for us to consider sponsoring a table at a St. Charles event honoring the Vatican Ambassador to the United States. The cost suggested was \$2500. This was to be posted in the Parish Bulletin for anyone interested.

The Catholic Diocese sent us a thank you note for our donation to them.

Catholic Social Services is sponsoring a Service Saturday on May 19th. Anyone interested in assisting the unfortunate or unable with small home repairs should prayerfully consider signing on.

We received an update on Joan Marie Trainer after our work with her in her bone marrow donor search. No match has yet been found. A cord blood patch is another alternative being considered. Although these are not as good as the bone marrow transplant, it may be the option she needs to explore.

Treasurer Report: Mike Phillips reported on our funds on hand. He intends to roll over part of the Magnet Fund into a CD.

Financial Secretary Report: Brother Mark Borys then reported on all bills and income for the month. These bills were motioned

to be sent to the trustees for signing and payment. This was accomplished in a timely manner. Mark then mentioned that our latest financial report was turned in to the State. He then revealed that we were down to 45 members left with unpaid dues. Hopefully, all will come back into the fold.

Report of the Trustees: No report

Chancellor's Report: No report

Report on Programs and Committees:

Membership Committee Report: Mike Sillings is our new Membership chair. He will work with Mike Croyle to learn the ropes and hopefully a First Degree Ceremony will be added to our list for February 29th.

Program Director: Brother Frank Hare made a request for attendance and assistance at the Wives Appreciation Dinner on February 18th.

He also asked brothers to consider nominees for the State "Of the Year" awards. But, please don't just nominate ... write a short blurb on why you think that brother, clergy, youth or woman is worthy of such recognition.

Brother Hare then reminded all to be ready for the St. Patrick's Day celebration coming up on March 17th!

There was also a reminder about the Blue Coat Dinner scheduled for April 14th in the PAC.

Church Director: Please sign up for our adoration hour. Call Jim Thesing to schedule.

Community Director: No report

Council Director: Brother George Schneider again reminded us of the First Degree on February 29th with a Candidates Call at 6:30PM and the Ceremony at 7:00PM. If you have not attended a degree in some time, please come. It is good to review the principles upon which we were founded. George then mentioned an opportunity to attend a Men's Lenten Retreat on March 24th. Our own Jim Anderson will be speaking at this retreat. See George for more information.

Family Director: No report

Youth Director: Brother Jesse Garcia mentioned that the Seton scholarship is up on the web and direct applicants there.

Right to Life Director: Brother Edd Chinnock gave a summation of the successful "Right to Life" to Washington, D.C. Forty-one were in attendance, with seven Knights from our council and eight Seton youth. Please read last month's newsletter to read comments from the youth who made the trip. A special thanks and acknowledgment goes out to sister Lorraine Rossi-Sharon, who assisted greatly with one traveler who seemingly was suffering a stroke. Lorraine stayed behind to care for and attend to the travel of this individual after all was under control!

On another note back in Ohio, Edd mentioned the Right to Life group will observe Forty Days of Life and on March 14th are asking for 24 around the clock coverage and prayer at an abortion clinic. If you can support, the clinic we will target is the one on the corner of Cleveland Avenue and N. 161. Call Edd if interested.

Edd then discussed the Conscience Rights Act and the bill to have all organizations, including Catholic hospitals, to have coverage for employees seeking abortions, sterilization, or abortion drugs. Catholics see this as a direct assault on our Religious Freedom. Congressmen Steve Austria and Ron Portman support defeat of this bill. Please call or write and thank them for their support. You can also visit USCCb.org for more information.

Edd then motioned for \$1000 to be donated to Kinder Women's Care Center in support of their cause. The motion was not seconded. After lowering the request to \$500, it was seconded on for approval next month.

Squires Report: Brother Mark Knight gave an update of the recent State Dodge Ball tournament won by repeat champions Circle 4552 of Norwalk. He thanked all who assisted, giving special mementos for those who did. The event also brought in one new Squire ... Matt Jerome ... who along with his father have been extremely active in events thus far! Brother Knight then reminded all that we would assist with the setup and tear down of our last Pancake Breakfast and commit to our normal soda sales and tear down at the upcoming Fish Fry events.

Unfinished Business:

The motion to pay up to \$XXXX in \$XXX dollar increments for up to 100 men from Seton Parish wishing to attend the Catholic Men's conference was then discussed ... voted on and passed. For council members, please try to enroll through Harry Clyburn before February 21st if you wish to attend. A bus will be available for those wishing to ride. It is scheduled to leave the Seton parking lot at 6:30AM the day of the Conference.

Our billboard for the Catholic Radio Station is up on Brice Road.

We have a new vendor for our shirt ordering process ... same look ... same price ... faster turnaround. Matt Croyle modeled one of the first shirts purchased. Please call Mark Borys from now on for your orders ... or use the order slip in our newsletter.

New Business:

The Fish Fry events for Lent then took the stage. Brother Letourneau spoke on the impending changes for the year with the first fry coming on February 24th. First we need all the help we can get ... especially for tear down. The guys who have been cooking since noon are just worn out by then. Please hang around and give a hand. Next, we need the lovely ladies to bake weekly desserts for the hungry masses. We will again be offering an "Early Bird Discount" beginning at 5:30PM for early arrivals.

John then made a motion to purchase six A-Frame Sandwich Board signs at a price not to exceed \$XXX for advertisement of the events. These boards are to be used for advertisements all around town on street corners, etc. They will also be used for the Seton Festival. Frank Hare and Mike Sillings approved and seconded the motion. It will be voted on during the March meeting.

The Fish Fry will also try a takeout window this year for those wanting to dash then dine and as another method to help sales. On a final note, the fish fry guys are asking if anyone has a chest freezer for donation or lending to be used for the fries. If you have one, please contact one of the chairs.

Now ... just a few more things under new business ... or they are

listed here because Croyle does not know where to put them.

We have ordered our placemats advertising the KofC to be used at Pancake Breakfasts and other events as appropriate. This is to help membership.

We then proceeded with the election for the position of Chancellor as Brother Jim Doty has moved. Mike Sillings was the only nominee and was appointed by acclamation. Congratulations, Mike and thanks for all that you already do!

Mike's appointment also opens the position of Outer Guard. If you are interested in filling this position for the rest of the year and perhaps starting your path to leadership within our council, please contact Tim Bowie or be sure to attend the business meeting in March.

Glen Williams then spoke and thanked all for the donation to the Catholic Men's Conference. He reminded all of the bus we have leaving Seton at 6:30AM on March 3rd, for those needing or wanting to ride over. They will say the rosary on the trip over and conveniently have a few form 100's on hand for any Catholic Men from Seton who just may wish to join our group after their day with the Lord. We hope some will be moved in that manner.

Wayne Patterson then requested some assistance at the Religious Education Dinner on March 24th. We need help with bartenders more than anything. The celebration begins at 6:30PM with the Happy Hour and Chris Logsdon performs during the evening. It is a great time.

Wayne then informed us of the Parish Mission being held on March 18 - March 20. Rod Domico is to speak and a soup supper is scheduled for Sunday. Please see if you or your wife would be interested in providing a pot.

Wayne then asked that any 4th degree members please put May 5th on their calendars for our Seton First Communion celebrations. We will have two sessions again ... one at 9:30AM and another at 1:00PM.

Paul Caravano then asked that anyone staying late in the church to exit properly when leaving. You should leave through any of the doors that have a lock bar on them ... in the education wing for example. Do **not** unlock the front doors and exit unless there is someone behind you to immediately lock those doors. We are receiving a few more panhandlers than normal.

We were then reminded that Tom Wagner was voted Catholic Man of the Year and would be honored at a luncheon on Friday, February 10th. We hope many from Seton could take the time to see Tom receive this well earned award. Congratulations, Tom!

Report of the Fourth Degree: There will be a social at the 94th Aero Squadron on Thursday, February 16th. Dancing to the tunes of the Big Band Era will follow in the back room.

Field Agent Report: No report.

District Deputy Report: No report. Tim Hickey is our District Deputy and has run into some health issues. He has lost over 30 pounds and is in need of our prayers.

Brothers in Need: Please keep in your prayers ... District Deputy Tim Hickey, Joan Marie Trainer, Charles and Dorothy Allen, Danielle Sillings, Jesus Garcia, Marjorie Miller, Anna Malott, Maureen Patterson, Sam Crawford, Cathy McFaul, Frank Piper's

(Continued on page 4)

mother-in-law, Mary McComb – Wayne Patterson’s mother-in-law, Martin Croyle – Mike Croyle’s father, all of our military, and of course our priests.

The Good of the Order: Lecturer Bud Joos then spoke to us on how a group of 4 to 8 year olds responded when asked the question ... “What is love?” Here is what some said:

Billy - age 4 - "Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other."

Emily - age 8 - "Love is what's in the room with you at Christmas if you stop opening presents and listen."

Bobby-age7 (Wow!) - "If you want to learn to love better, you should start with a friend who you hate."

Cindy - age 8 - "My mommy loves me more than anybody. You don't see anyone else kissing me to sleep at night."

Lauren - age 4 - "When you love somebody, your eyelashes go up and down and little stars come out of you." (What an image!)

And finally, author and lecturer Leo Buscaglia once talked about a contest he was asked to judge. The purpose of the contest was to find the most caring child. The winner was a four year old child whose next door neighbor was an elderly gentleman who had recently lost his wife.

Upon seeing the man cry, the little boy went into the old gentleman's yard, climbed onto his lap, and just sat there. When his Mother asked what he had said to the neighbor, the little boy said, "Nothing, I just helped him cry!"

Thanks again, bud and we hope all had a wonderful Valentine’s Day.

The meeting closed at 8:52PM

March, 2012 - Kids Just Don’t Care, I Hear It All The Time

I had finished a morning session at the Midwest Veterinary Conference last Saturday and I decided to have a coffee and a muffin to tide me over. The area was buzzing with the cheerleading competition that is held annually at the same time at the Convention Center.

I went through the line and turned to find a place to sit. However, all the chairs at the only empty table were gone. I noticed that they were removed by the cheerleaders and crowded around another table.

I was not upset by this because after 3 hours of lectures my skinny butt did not need more sitting. And also the chairs were heavy wrought iron with no padding. I did however, see an empty chair at a distance and I did not want to drag the heavy chair across the floor. This reinforced my decision to remain standing.

I had no sooner taken a bite of muffin when I heard a screeching noise beside me. I looked to the direction of the noise. There was this tiny grade school cheerleader dragging this chair that was almost as tall as the girl. She nodded her head and smiled and darted back to her chair to join the group. Evidently she felt she had to get me a chair since, I suspect, the chair was originally from my table and she felt obliged to get another for me.

I felt surprised, humbled, and amazed by this act of kindness. This act has lifted my spirits every day since last Saturday and I hope for days to come because there are many caring people still with us.

Respect Life - HHS Mandate

As I write this article I am on vacation in Arizona. Last Sunday the pastor at the local church we attended focused his homily on the HHS mandate that requires all institutions to offer contraception, sterilization, and "morning after" abortion drugs at no cost in their health plan coverage. While there is an exception for religious institutions, it is so narrow that Jesus and his disciples would not qualify. Many Catholic institutions, including hospitals, schools, universities, social service agencies, food banks, adoption centers, etc. would have to offer this coverage even though it is contrary to Catholic teaching. When Cardinal elect Timothy Dolan of New York met with President Obama to discuss this issue, the president offered a compromise: he said Catholic institutions (provided they can prove to the government they meet certain religious standards) had a additional year to "find a way to violate our consciences" as Cardinal Dolan so clearly phrased it.

The penalties for not complying with this mandate are so harsh that they would quickly bankrupt any institution that get hit with them. In his homily, the priest quoted Cardinal Francis George of Chicago as saying that within two years of this mandate being enforced, there would be no Catholic hospitals, universities, schools, or social service agencies left in the United States.

The Obama administration wants to make this a contraception issue, apparently believing that because statistics show 99% of Catholics have used birth control at some time in the past the bishops are out of touch with most Catholics. Statistics also show that Catholics lie and commit adultery, but we don't expect the Church to condone these actions. The Obama administration completely misses this point.

The fact is, this is NOT a contraception or even abortion issue. It is a direct attack on religious freedom. The Obama administration wants to decide who can believe what and wants the government to decide what religious beliefs and practices are acceptable. They claim this is about "essential preventive services", but if that is the case, why choose only contraception? Why not tooth brushes and toothpaste? Aren't they "essential preventive services" as well so should be offered free of charge by your health plan?

We need to stand firm with our Bishops, who unanimously oppose this mandate. Listen to what they are saying about this issue and take the actions they suggest. Right now, TODAY, write or call your Senators and Congressman and ask them to co-author and support bills to allow meaningful conscience exceptions to the HHS mandate. Also write Bishop Campbell and thank him for his leadership on this issue, and tell him as Tom Wagner put it in his Catholic Man of the Year speech, that we, as Knights of Columbus, "have your back".

Wives' Appreciation Note

I wanted to say thanks to all of the lovely ladies and their Knights who attended the recent Wive's Appreciation dinner. Chefs Mike Elston, John Letourneau and Dick Petersen created a spectacular dinner which included:

An appetizer of Caramelized Fennel and Chorizo in Parmesan baskets
Roasted Tomato and Red Pepper bisque
Prime Rib Elston and Chicken Saltimbocca
Prosciutto wrapped asparagus and Mushroom Risotto

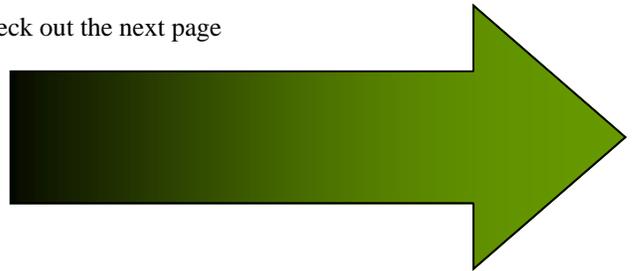

And the piece de resistance - Chef Mike's Flambé of Peaches Foster.

We had 34 wives and Knights in attendance. The wives were introduced using a message from their Knight and given a rose to show our appreciation for all they do to help us throughout the year. To those wives who were unable to make this event we offer our sincere appreciation for your efforts to support your Knights as well.

Mark your calendars early for next year's event.

The 10th Annual Blue Coat Dinner will be held on Saturday, April 14th in the PAC Center starting with a Social Hour at 6 PM followed by dinner at 7 PM. If you have not attended this event in the past I would encourage you to attend this year. John, Mike and Dick (and many others) always prepare a great dinner and it is a great event that is very much appreciated by the fire, police and sheriffs departments.

We will also need help to: set up starting at 3 PM, serve starting at 7 PM and clean up immediately following dinner. We also need some volunteers to provide baby-sitting service during the dinner.

If you can help please contact Ron Blymire at (614) 545-8562 or email blymires@yahoo.com.

Thanks in advance for your help and attendance at this years event!!

Fish Fry notes

The Fish Fry dates are February 24, March 2, 9, 23 and 30.

As always plenty of help is needed. Please plan to help us make this a great and profitable event.

The committee is asking a few Knights to come a little later (6:30 PM or so) to help with clean up. We would appreciate the establishment of a regular cleanup crew.

The events this year will feature a new “Take ‘N’ Go” carry out window.

As always donated dessert items are needed - especially the wonderful home baked items by our ladies

If anyone should have a working chest freezer and be willing to donate it, we could put it to good use in the PAC kitchen for the fish fries

Any point of contact or suggestion regarding a sign making company is needed.

Thanks as always for your support and help,
