KOFC COUNCIL NEWS

SERVING SETON PARISH AND THE COMMUNITY

20 years

Happy St. Patrick's Day!!!

Dear Brother Knights,

HAVE YOU HAD ENOUGH WINTER!

(Oops! That was the title for last month....but boy does it still fit)

As Lent begins, let us take the time to decide what we are going to do to observe this season. This is a time for prayer, fasting and almsgiving. 40 days and 40 nights....a time to prepare. There are plenty of things happening at Seton to help you grow in your faith during Lent. The New Evangelization series begins as well as the upcoming Living Christ Retreat.

Seton had an incredible turnout at the Columbus Men's Conference. 68 men from Seton Parish. What a day!! We experienced another year of fantastic speakers. The new location was a step up. Thank you to the Knights who were involved in arranging the carpooling.

I'd like to thank all the Knights who participated in the first Ministry Showcase weekend. There were Knights greeting and interacting with a lot of parishioners after the Masses. This weekend gave us the opportunity to have the "spotlight". I believe that we set a standard for future Showcase weekends. There is a full Ministry Marketplace the first weekend of April. We will need to have Knights at our table for that weekend as well.

Another thank you to the Knights who assisted at the Teacher's Appreciation Dinner. It was a celebration of Mardi Gras. I just want to say that your dedication to our parish at all levels is a true sign of God's presence in our Council.

Business Meeting Notes - February 12, 2014

The meeting was called to order promptly at 7:30 by Grand Knight George Schneider

Roll Call of Officers:

All were present except our Chaplain, Advocate, Inside Guard and Lecturer ... who were all excused.

The minutes of the last meeting were motioned for approval as amended by Harry Clyburn, seconded by Edd Chinnock, voted on and passed. Amendments included the one instance in the newsletter where our sad excuse for a Recorder called the State Dodge Ball Tournament the State Volleyball Tournament.

Chaplain's Report: Deacon Hector Raymond spoke for Father Klima and read from an article by Pope Francis listing among other things the most prevalent sin in the world today... pornography! Deacon Hector then prompted us to take advantage of "Covenant Eyes" and the Sacrament of Reconciliation that is available to all of us...because "God awaits our return".

Membership and Reading of Applications:

Readings of applications included those of Don Miller, Jr., Sean Roberts and Scott Schaeffer. We will schedule a First Degree Ceremony for March.

Grand Knight's Report: G.K. George Schneider then began with a list of important items.

George first made it known that he was **not** in the Philippines and did not want our money...unless we were so inclined.

George then recognized a new transfer in to our council. Welcome Jared Long.

Our G.K. then presented our "retiring" Pancake Breakfast Leaders (Mike White, John Sambuco and Dan Stephan ... the latter in absentia) with a certificate and gift card each for their 10 years of service! He included in his thanks the fact that they have even secured and are training their replacements. And the flipping will go on! You guys are awesome.

George then read some thank you notes we received from St. Paul's Outreach for our donations and a few from the wives thanking us for their Appreciation Dinner. We also received a thank you from Barb Serrano and particularly Edd Chinnock for our support and assistance with the SPY group on the trip to Washington, D.C.

Our next Church Donut Sunday will begin a new method of seeking involvement in Church groups...and we get to go first! We will be the **only** group with a display to show parishioners what we do and seek their involvement. If you are available, please be there to man our display table and recruit. In numbers, there is strength. Contact Wayne if you can be there to assist after any or all of the masses. That date is March 2nd.

Brother George then asked us to consider signing up for the Living Christ Retreat to be held on March 14 and 15.

George then mentioned we would be hosting the Spring Bonanza ticket hand out meeting on Sunday, February 16. Mike Sillings and Terry Reine will be in attendance for us

and set up shop with Mike Phillips.

And finally...our Grand Knight mentioned the kick off meeting of our next big project...the Council 11187 Inaugural Car Show! Father is on board and has already offered some suggestions on running it!

Treasurer Report: Brother Mike Phillips stated that we are still solvent and monetarily sound.

Financial Secretary Report: Brother Frank Hare then reported on all bills and income for the month...and there were many. These bills were motioned to be sent to the trustees for signing and payment. This was accomplished in motions by Mike C. and Wayne P. voted upon, passed, and then delivered and paid. F.S. Hare also reported that we are 248 members strong in our Council!

Report of the Trustees: Trustees Clyburn, Patterson and Garcia reported that:

Grand Knight George Schneider is **not** in the Philippines.

In March we will add information about Convention attendance and guidelines for payments.

Brothers Terry Reine and Patrick Kilbane will run the Measure Up Campaign in the spring. Dates TBD.

We need brothers to work the table at Donut Sunday on March 2 ... HELP RECRUIT!

The audit is complete after a thorough examination by the Trustees and is filed with Supreme.

And finally...our Fraternal Survey of hours spent in our Knightly activities has also been completed.

Chancellor's Report: Brother Mike Sillings had no immediate report, except to say our G.K. is **not** in the Philippines.

Recorders Report: Brother Mike Croyle reported that he wanted a refund of the money he sent to our Grand Knight for support due to his erroneous stranding in the Philippines.

Report on Programs and Committees:

Membership Committee Report: Brother Mike Sillings reported that the next 2nd and 3rd degree ceremonies will be held at St. Andrew's Parish on February 23rd. All First Degree members should use this as a time to advance in their quest for full Knighthood within our order. Contact Mike if you are interested in going.

Program Director: Brother Dick Petersen reported that we had 400 points in to date, and were only lacking in entries for "Church".

Church Director: Brother Wayne Patterson reported that at the Liturgy Meeting it was proposed that we buy eight stainless steel chalices for the church. A motion followed later in the meeting. He also asked for help at the Teachers Appreciation Dinner on Saturday, March 1st for doing dishes, attending bar, and cleaning up. Remember that is Catholic Men's Conference day as well. Chris Logsdon is playing at the dinner and a good time is always had by all.

Council Director: Brother Glen Williams reported that it is time to turn in our nominations for our “of the year” awards for Religious, Lady, Knight, Volunteer, Family and Youth. Please help Glen get this accomplished by sending your nominations in with a list of things these people offer and do to deserve such recognition. Last year, two from our council were also selected as Diocesan of the year recipients. He then declared the Wives Appreciation Dinner a tremendous success and how noted how these events make us look so good. Brother Williams then reminded us that whether we know it or not...we have a **presence** in our Church and should carry ourselves as Knights at all times. Glen then completed his report by urging all to attend the Catholic Men’s Conference.

Community Director: Brother Laughery asked everyone to gear up for the impending Fish Fries beginning March 7th. Please come eat, help clean up, bring desserts and be involved. This is most often our biggest income maker for the year! Thom then pledged \$250 of the community budget to assist with the Car Show. He then closed with thanking Terry Reine and Patrick Kilbane for volunteering to run the Measure Up campaign.

Family Director: Brother Ryan Anderson arrived late but in time for his report and was also happy to see that our Grand Knight was **not** stranded in the Philippines and in need of money. He then reported that our Family Reports are in and that we definitely need help at the St. Patrick’s Day Party on Saturday, March 15th!!

Youth Director: Brother Jesse Garcia mentioned 62 youth are ready for the Confirmation Retreat to be held on 2/14 - 2-17. Brother Jesus then informed all of the High School retreat and the actual Confirmation soon to follow. Brother Gene Ebert then happily announced that possibly two scholarship applications have been turned in.

Squires Report: Brother Mike Phillips gave an update on the State Squires Dodge Ball Tournament won by Miraculous Medal with a strong 2nd place finish by our boys! He thanked everyone for their help and especially Deacon Hector for setting the tone for the event in prayer! Brother Phillips then announced the Danville Volleyball (yes, volleyball) Retreat coming up. He concluded with acknowledgement of the Squires looking forward to assisting with the Council Fish Fry Events as well as the Car Show.

Right to Life Director: Brother Edd Chinnock proudly reported on the successful, but extremely cold...Right to Life March...and the bus trip to Washington, D.C.! We had twelve Knights (six from our Council) and twenty eight SPY members in attendance... among others. Look for the write up and pictures in the **Catholic Times**. Brother Edd noted that January 1 had been the anniversary of our protest of the Women’s Clinic in Pickerington. He also requested assistance with coverage in March as he will be unavailable. Come out on Tuesday or Saturday morning and “stand with Jan”.

Report of Committees:

- The last Pancake Breakfast was a success...as were they all. Profits exceeded last year’s income.
- The Fish Fry prices will remain the same this year.
- Our Council will host (hosted by now) the District Free Throw on Saturday.
- The St. Patrick’s Day Party is March 15th. Put it on your calendars to attend...and help as well!

- The Annual Blue Coat Dinner is scheduled for May 3rd beginning at 6:00PM! Please plan to assist as many of these events as you can!

Unfinished Business:

MOTION: The published motion that the Council spend up to \$XXX for the purchase of a corporate sponsorship for the Catholic Men’s Conference was discussed, voted upon and passed.

New Business:

MOTION: Brother Wayne Patterson motioned that the Council spend up to \$XXXX for the purchase of eight stainless steel Chalices for the church. This was seconded by Jesse Garcia and will be voted upon at the March meeting.

MOTION: Brother Mike Phillips then motioned that the Council spend up to \$XXX for purchase of snacks for the Bonanza Raffle distribution hosted by our Council. This was discussed, voted upon and passed.

Discussion ensued on the purchase of a new Memorial Plaque (to be purchased with funds we received from the sale of handicap equipment donated to our Council by the recently deceased Brother Ed loch). The initial price was thought to be too high and further options will be researched.

Report of the Fourth Degree: Brother Frank Hare reported the event of the Mayhem & Mystery Interactive Dinner Theatre at the Spaghetti Warehouse on Broad Street was a huge success and enjoyed by the twenty three people in attendance. He again reminded us that all first through third degree members can still come to dinner preceding the Fourth Degree Business Meetings... held the 3rd Wednesday of every month. Dinner for this month is the Annual Chili Cook-Off! Bring your best killer concoction to enter. He ended with announcement of the next Exemplification on April 27. You third degree members...take notice and take that last step towards full Knighthood.

Field Agent Report: Field Agent Stanley Krulia was absent and there was no report.

District Deputy Report: District Deputy Joe Dickman was absent and there was no report.

Brothers in Need: Please keep in your prayers Don Montell, Bud and Terri Joos, Bryan Mitchell, Amanda Hague, Dick and Mary McComb, Mike McComb, Jim and Margie Patterson, Maureen Patterson, Rick Curtis, Eric Awbrey, Lorraine Sharon-Rossi, Frank Sanderell, Linda Capwill, Matt Blymire, Jeff Samborsky and all of our military and priests.

Final Note: Just a thought from Mike ...

Here is a quote from Max Lucado...I am not sure who he is, but I liked it.

“No price is too high for a parent to find his lost child. No energy is too great. A parent will go to any length to find his or her own. So will God. God’s greatest creation is not the far flung stars or the deeply gorged canyons. It’s his eternal plan to reach his children. Heaven and earth know no greater passion.”

So ... let’s try not to make our heavenly Father work too hard.

The meeting closed at 9:12 PM.

The Lost Sheep...

So, I keep telling everyone how the confirmation retreat is something you should experience firsthand because the kids give you as much as they receive during the weekend. Plus, you never know what is going to happen...

So Friday night is the set up night with last minute rehearsals and the almighty instructions and rules for the weekend. Things started out well. The decorations were up, the skit rehearsals went well, dinner was finished, review of the talk activities were finishing up and Barbara Serrano was giving the expectations for the weekend. Then her phone rang...it was Ashley. Not wanting to be rude, Barb handed the phone to Glen.

Ashley had put her car in a snow bank and was in the middle of nowhere...and we mean nowhere...Union Station Road in Newark. So, Barbara sent out a rescue team to see if we could help...Glen Williams (The Tracker), Steve Serrano (The Smart One), Wayne Patterson (Grey Beard), and me (Grizzly Bear). By the way, these are the names we were given by Glen during his talk on Sunday night.

We set out in Glen's truck in search of Union Station Road...on a cold and snowy night. Yep, it started to snow again, so if you thought Pickerington's side streets were bad...think about in the middle of nowhere Newark. So, here we go with our cell phones and GPS' running. We miss our first turn because the streets are not clearly marked and visibility is well; there isn't much (no street lights, blowing snow, and darkness). Did I mention we are in the middle of nowhere? So, we take the next road which is Canyon road and proceed looking for our next turn. We come around the bend and see a car off the road with flashers on...and we stop. Hey, did I mention that we didn't know what kind of car we were looking for? We pile out of the truck as another truck pulls up, stops and then backs down the street. Odd. We determine this was not our lost car ...it was on the wrong road and abandoned. We proceed back to the truck and scout another road ... nothing. Finally, we turn around and head back to the original car. We investigate more and find it is a car from Fairfield County (23 sticker on the license plate). Maybe it is ours. So now the question is "Where is Ashley?"

With renewed vigor, we set out again, searching still another road. Nothing. We are now a good mile, mile and half away from the car and about ready to turn around, when we spot tracks in the snow. Our first thought was...who in their right mind would be out jogging in this weather? We follow the tracks and they lead to a house...stupid jogger...should not have been out in this weather anyway. Then Grey Beard (remember that is Wayne) sees that the tracks are also coming back **towards** the road! Is the jogger really back out? We continue down the road and come upon a person running down the street...we've caught up with the stupid jogger. Then as we close in...the "jogger" heads into the field, putting distance between her, some apparent pursuers, and the road. The Smart One (Steve) thinks to roll down the window and identify himself as Barbara's husband. Hearing this, the "jogger" stops and turns around. We are ecstatic to see our stranded and frightened Ashley begin coming back towards the truck! We found our lost sheep!!! We finish the evening by pulling her car from the snow bank and finally getting the five of us back to St. Peter and Paul Retreat Center.

Let me mention that Ashley isn't a practicing Catholic. She graduated with my daughter Maria in 2010, and was spending the

weekend with us to investigate our program and Parish. After her ordeal, she's decided to complete the sacraments and become part of the family.

Oh and about that other truck, the one that also had 4 guys in it that Ashley didn't know, they stopped first asking if they could assist her, which was the reason she abandoned her car...she was afraid to stay there once she sent them away and her cell phone then died.

Confirmation Retreat

Tim Bowie was sitting during one of the few breaks in actions and started counting the Knights in attendance for the weekend and the more he looked the more he noticed that we are a major presence at the very important and life changing retreat.

We had the current Grand Knight (George), four Past Grand Knights (Wayne, Deacon Hector, Tim and myself) two future Grand Knights (Glen and Mike), the Catholic Man of the Year (Tom), Mitch (missing in photo) and of course our Seminarian (Brian). We also had the members of the Squires attending the retreat.

Marketing Agent Wanted

Council 11187 has received an exclusive franchise to market Easter magnets (He is Risen) and Christmas magnets (Keep Christ in Christmas) to other councils throughout Ohio. Similarly, the franchise allows our Council to sell to individuals at retail price.

The magnets have the potential to be a significant fund raiser not only for our Council but other Councils within Ohio and have been enthusiastically received where they are known. These magnets could also appeal to other religious affiliated groups, Catholic and non-Catholic, for their message value alone. Until now, the availability of these magnets to other groups has been, predominately, word of mouth. To achieve full potential, a plan to market and distribute (the physical distribution is already in-place) the magnets throughout the state is needed. There are a number of statewide periodicals, publications and other venues that could be incorporated into such a plan.

So, to that end, we're looking for someone to draft and implement a plan to market the magnets.

If you are someone who is creative, doesn't like to attend numerous meetings, likes to work at your pace and within your personal time constraints and time frames you have available, this is your opportunity to help the Council on your own terms.

If this opportunity appeals to you please contact me at reisenacher@insight.rr.com or if you'd like to discuss it further call at 614-837-5452.

12th Annual Blue Coat Dinner

Please mark your calendars for the 12th Annual Blue Coat dinner. If you have never attended this event you're missing one of the better events sponsored by our Council. This event is to recognize those who put their lives on the line on a daily basis to serve and protect us. Specifically, we recognize the local Police, Sheriff and Fire departments for their service to our community and we also present awards to an outstanding individual from each department.

This year we are looking for two volunteers to head up the following sub-committees:

Set up - will need 3 to 4 people from 3 to 5 PM

Clean up - will need as many as possible starting at 5 PM. This is the area where we always seem to come up short so if you can help it would be greatly appreciated. The more we have the sooner we'll be done.

Please contact me at (614) 837-7435 if you are interested in leading either one of these efforts.

Fish Fry Notes

The Fish Fry dates for 2014 are March 7th, 21st, and 28th, April 4th and 11th.

Last year's fish fries were a huge success. Please help us set even more sales records in 2014. As always plenty of help is needed.

The committee is asking a few Knights to come a little later (6:30 PM or so) to help with clean up. We would appreciate the establishment of a regular cleanup crew. We will again feature a "Take 'N' Go" carry out window. As always donated dessert items are needed - especially the wonderful home baked items by our ladies.

Lecturer's Corner

This is a story of two vans, Toto, and a tricycle.

They all came to gather one morning on Interstate 70 heading west. I was driving and came to a stop because there was a crash ahead. In the next second or two I felt a jolt and we were airborne according to one witness. We were turning in air and ended up across the median completely turned around. As we were spinning Terri remembers Toto in the Wizard of Oz.

I remember the officer asking my wife about the tricycle in the median. It was a loaner from Bog Glavan when I was recovering from another ailment. I was intending to return it at some time. Someone must have tossed it into my van because when my daughter recovered the belongings from the wreck she recovered the tricycle and it is now sitting in my garage. It doesn't take up near the room as my van.

Respectfully Submitted;

Bud Joos
