HAPPY BIRTHDAY FATHER McGIVNEY!!

1 August 2015
Volume 22
Issue 10

Dear Brother Knights,

Father McGivney was born on August 12, 1852 and died 2 days after his 38th birthday on August 14, 1890. His vision of the Knights of Columbus has blossomed into what we have come to know as the Knights of Columbus. The Knights of Columbus cores values of Charity, Unity, Fraternity and Patriotism are exemplified by our actions as Catholic men in honor of Fr. McGivney. I would like to believe that Fr. McGivney looks at our Council favorably. We stand up when called upon and uphold those core values in all are activities. I believe WE ARE his vision and I am proud to be a Brother Knight. I honor of Fr. McGivney's birth and death, let us grow stronger in our faith, closer in our brotherhood and leaders to our families.

Generally, the summer months are not busy with Knights of Columbus events for us. This is not because of not trying. The weather has not cooperated multiple times and made it not possible to have our car show. We have been busy on other fronts though. We recently hosted the State Tour meeting and provided lunch for many in attendance. This event was well received and many compliments were given by the State officers. Thanks to all who made this a successful event. We have been preparing for the many challenges that this year could bring. Various paperwork has been completed and submitted before deadlines to keep our Council in good standing. Also, we have had discussions on adding events to our calendar. As a Council, we need to continue to grow in our charitable works and fundraising. My goal is to have a Knights event each month. Any and all suggestions are appreciated and welcomed.

Business Meeting Notes - July 8th, 2015

Grand Knight Mike Sillings called the official meeting to order at 7:55

Roll Call of Officers: Missing were our 2nd Year Trustee and Lecturer, both of whom were excused.

The minutes of the last meeting were motioned for approval, voted upon and passed.

Chaplains Report: Deacon Hector Raymond reported on reading a document by Pope Francis which detailed people's lives and cultures, and what we do to the unborn in our culture. We need to protect our environment and our "throw away culture", especially those of the unborn. Deacon Hector also spoke of his trip to the Henry Cowell Redwoods, and a tour that was given by his niece. Deacon Hector continued to speak on the beauty of the redwood trees and the common root system they shared and how we are similar in that system.

Membership and Reading of Applications: Brother Shawn Roberts had no report

Grand Knight's Report: Grand Knight Mike Sillings spoke about a special thank you that was received from Father Brian O'Connor and his gratitude towards all that was done and given to him.

A thank you was also received from the Bishop Griffin Center on the \$XXX donation that we gave to them, and how it will be utilized to help those in need.

Brother Sillings next spoke about the yearly meeting he had with Father Jim and how humbling the experience was. Said that Father Jim spoke about how pleased he is on what we are doing for the parish, and of the possibility for utilizing other avenues such as the American Legion and senior center for fish fries etc., during our church renovations. Perhaps we could evangelize while we are outside of the church with these activities. Father Jim also agreed to officially become our Chaplain.

A discrepancy was discussed on the first degree team in thinking that Brother Frank Piper will no longer be able to head the team; however Brother Frank Piper will still be the active head of the degree team!

Calendar is up to date for the year, and everything is planned that it will be a normal year...hopefully! Audit is scheduled for Wednesday, July, 29th at 7:00, and our next officers meeting will be August 4th at 7:30, all are welcome. August 12th is the next business meeting, hope to see everyone there! A representative from Holiness Revolution will give a presentation before hand starting at 7:15

Treasurer Report: Brother Dan Murphy reported that we are financially solvent. A \$XXX petty cash fund is going to be kept out for future use if needed.

If other venues are used for fundraising during the church renovation, no changes will need to be made to our insurance coverage, and with minor paper work all will be well.

Brother Dan also gave a friendly reminder that our budget will be a little restrictive this year due to the church renovation, and that a new and approved budget has been sent out and will be updated monthly.

Financial Secretary Report: Brother Frank Hare spoke on his one expense item, which was the Ohio State Council per capita of \$XXXX. A couple of small deposits were also made from rosary sales and dues. Bills were voted upon and passed on to our Trustees for payment

Report of the Trustees: Brother Wayne Patterson reported that we are working on the audit

Chancellors Report: Brother Mike Croyle had no report

Report on Programs and Committees: Brother Shawn Roberts spoke on behalf of membership and that we need a large number of recruits this year. A special thanks was given to Brother Shawn for taking over the responsibility of membership

Program Director: No report

Church Director: Brother Wayne Patterson spoke about the State Tour meeting on July 19th, and that all help will be appreciated with preparation of the meal from noon to 1:00.

Community Director: Brother Thom Laughery spoke about the Holiness Revolution approaching in August.

A representative from the Fairfield MRDD will be coming to the meeting in September to receive the Measure Up check that we will be presenting to them.

Food cart is in that we donated and a photo op will be done.

Labor Day is fast approaching! Brother Mike Kohar will be pulling our float. We will be prepping the float on September 3rd or 4th. We would like to have 4 veterans from our council, preferably one representative from each war.

Car show has been delayed a couple of times due to rain, perhaps a boat show would be better...

Council Director: Brother Jerod Long had no report

Family Director: No report

Youth Director: Brother Jesse Garcia reported on LT Retreat that will be held in a couple weeks and that everything is gearing back up for the year

Squires Report: Brother Tim Bowie was not present but he had sent Grand Knight Mike Sillings an email about an update on activities.

During the June meeting officers were elected. Congrats and thank you to all Squires elected!

The state convention was held 2 weeks ago. Everything went well and all had a great time.

Four youths have aged out of the Squires and have joined our council.

The Squires is running strong with 10 members, but they would love to grow!

Right to Life Director: No report

Committees: Brother Frank Hare spoke about the approaching Seton Open coming up on August 30th; all help will be appreciated in preparing the food around 1:00 or 2:00.

The Seton Festival is also fast approaching, and will be another need of our fellow Brother Knights. Some new and exciting changes will be coming to the festival. If you aren't involved yet, please volunteer!

Unfinished Business: The benevolent committee article has been published under ARTICLE VI Committees; Section 1; as item h. Brother Mike Croyle spoke on ways the committee will be used, such as helping those that are in need of obtaining prescriptions or paying electric/gas bills. \$XXXX has been approved for use this year, with hopefully more in the future when we are back to normal funds. We would like for everything to go through Father Jim first. The article will need to be sent to State for approval. This will be used for our parish only. Mike Croyle motioned to send the amendment to State to add to our Bylaws. Motion was approved by all.

Business Meeting Minutes (Continued on page 3)

New Business: Doughnut Sunday chairs are in need of help at the 11:15 Mass. Asking all Knights for help after mass until a committee can be made

Report of the Fourth Degree: Brother Frank Hare mentioned that there was no meeting last month. The Ice Cream Social is this month! Come on out!

Brother Tim Kajaiwa passed away who was a former member of our Council. Brother Tim had been a member since 1971 and was a Vietnam Veteran. Thanks for all that he did for our Council and our country! He is being laid to rest in Arlington National Cemetery. Just a reminder, if a Brother 4th Degree Knight passes away; please contact the Navigator of your Assembly.

Field Agent Report: Brother Stan Krulia congratulated all of the newly installed officers of our Council, and about the great efforts of our council in forming the Benevolent Committee. Brother Stan also spoke about the gracious offerings that were received towards him at his agency meeting.

District Deputy Report: District Deputy Joe Dickman spoke about our new State Deputy and all the things he has planned. Programs will be much the same, but there will be some new and exciting changes! Diocese of Columbus made their quota for memberships, with our Council being the frontrunner! All are welcome to the District meeting and if you have any ideas please share them. The State Deputy will give us orders, but at the District meeting we will have to decide how we are going to go about achieving those orders

Field Agent's Corner - A New Snapshot of America's 44 Million Family Caregivers: Who They Are and What They Do

A [landmark new study](#) paints a dramatic picture of family caregivers: Nearly 44 million adults in the US are providing personal assistance for family members with disabilities or other care needs. That is more than one out of every six adults. More than 34 million care for frail elders and nearly 4 million help children with disabilities. About 6.5 million care for both.

The typical family caregiver is a 49-year-old woman who is assisting a parent or in-law and working at a paid job. She reports spending an average of about 24 hours-a-week providing personal assistance such as bathing or dressing or helping with activities such as shopping or rides. Almost six in 10 say they perform nursing or other complex care tasks, such as giving oral medicines or injections, wound care, or operating medical equipment.

The typical caregiver has been [helping a parent](#) or spouse for four years.

Most work full-time but six in 10 say caregiving has affected their ability to do their jobs. About half say they've had to take occasional time off, 15 percent have taken leaves of absences, and 14 percent have had to reduce work hours or change jobs as a result of their caregiving.

The study, *Caregiving in the U.S.*, was done jointly by the National Alliance for Caregiving and the AARP Public Policy Institute. The researchers did extensive interviews with more than 1,200 family caregivers in late 2014. The survey follows similar studies done in 1997, 2004, and 2007.

About half of all those caring for adults say they get help from other relatives or friends. But only about one-third say their loved ones have aides, housekeepers, or other paid assistance (some report both paid and unpaid help). A third of family caregivers say they do it alone - they get no help from anyone.

The typical care recipient is a 69-year-old woman, though nearly half of caregivers say they are aiding a loved one who is 75 or older. Half live in their own home and a third live in their caregiver's homes. Only 5 percent lived in nursing homes and 3 percent in assisted living.

About 60 percent have some long-term physical condition, one-third have a short-term acute illness or injury, and almost one-quarter have memory problems. About half were hospitalized in the past year.

While it is useful to keep in mind that 49-year-old daughter who is the typical family caregiver, the study found important differences among those supporting their relatives.

For instance, while 60 percent were women, 40 percent were men. And while caregivers spend an average of about 24 hours-a-week helping relatives or friends, there is a lot of variation. Nearly one-quarter say they provide more than 40 hours-a-week of care.

And while the average duration of caregiving was four years, about one-third had been providing care for less than 6 months while about one-quarter has been at it for five years or more.

The report divided caregivers into those providing 20 hours or less and those who help for more than 20 hours, who it calls higher-hour caregivers. Not surprisingly, those doing the most reported higher levels of financial, physical, and emotional stress, and were more likely to cut back on their own paid work.

The biggest gap was between adult children helping parents and older adults caring for spouses or partners, who faced the biggest caregiving burden by far. For instance, they provided an average of nearly 45 hours-a-week of care, nearly twice the average. Caregivers who are themselves 75 or older are less likely to have

paid help, more likely to act as medical advocates, and more likely to be managing their family finances than younger caregivers.

Two important caveats: The study reports answers to a survey. Caregivers were not asked to keep diaries or otherwise monitor their actual hours so their estimates of the time they give may not be perfectly accurate. Also, AARP and NAC warn that, because the methodology changed, it is not possible to compare the new results with the older surveys.

Still, this report is very valuable. In the national debates over long-term care, policymakers often forget that the vast majority of people with functional limitations live at home, and nearly all of them rely on family members and friends for support.

Caregiving in the U.S. is an important snapshot of those family members who are the bedrock of the nation's long-term care system. It would crumble without them, and it is extremely helpful to know who they are and what they do.

Give me a call.

Supreme Corner

Dear Brother Knight:

On Monday, August 3, the U.S. Senate will hold a key vote on S. 1881, a bill to defund the Planned Parenthood Federation of America. We strongly urge you to contact your Senators and encourage them to support this bill.

Planned Parenthood is America's largest abortion provider, performing well over 300,000 abortions annually. Over the past few weeks, video evidence has emerged suggesting that they are selling the organs of aborted unborn children for profit. These videos reveal the stark brutality of the abortion procedure and the callousness with which Planned Parenthood seeks to profit from the harvesting of the organs of unborn children. These revelations have shocked the conscience of our nation.

Planned Parenthood receives over \$500 million in taxpayer funding annually. S. 1881 removes taxpayer dollars from Planned Parenthood, while leaving funding levels for health care programs the same; the bill channels taxpayer dollars through other organizations.

Pope Francis has called abortion the product of a "widespread mentality of profit, the throwaway culture, which has today enslaved the hearts and minds of so many." S. 1881 ensures that our tax dollars and healthcare programs are not made part of this mentality.

Please [email your Senator](#) immediately. Encourage them to support S. 1881, the bill to Defund the Planned Parenthood Federation of America. Share this link and encourage your family, friends, and members of your community to do the same. Thank you for all you do to build a culture of life.
