Brothers in Christ,

October is upon us, a busy month ahead with many Knights activities as we promote our Membership Drive!!!

The activities started on First Saturday, October 2nd with the Holy Rosary and Benediction of the Eucharist. An hour of adoration, meditation and rosary is time well spent. Many thanks to the Brothers who participated in this Holy Hour.

Later Saturday at the 5 PM Mass many Knights (wearing our blue shirts) served as Greeters, Staffed the Welcome Center and our Membership table in Hermann Hall, some were Eucharistic Ministers, a Group of Knights carried the gifts forward at the Offertory, and Brother Tim Lee, Membership Director showed a brief movie on the work of the Knights throughout the world to reintroduce the Knights to the Parish and to ask the men attending to consider joining our Council. His presentation was very moving!

This was also Hospitality Weekend which means donuts -- lots of donuts, sponsored by the Knights this month! Hermann Hall was vibrant with activity, conversation, and fellowship! The Sunday Masses and Hospitality were the same, but larger crowds! I'm grateful to everyone that made this initial kickoff a success, we have twelve new Knight requests! Fr. Connolly sent an email to the members of our Council expressing his thanks and admiration.

Okay, that's the first three days of October!! There is more to come!!

Our first Pancake Breakfast since COVID is coming back on Sunday October 17th. We will need many Knights to meet the challenge to help with cooking, serving, and cleaning. It's not October without Pumpkins! On Saturday October 23rd, the Knights are hosting the "Family Fall Festival" in the PAC after the 5 PM Mass. There will be food and fun for the whole family. The Pumpkin Carving Contest is the main event and the competition is fierce! Kids are already preparing their ideas for that special Pumpkin! Mark your calendars. More information to come.

Plans are in progress for our first food drive of the year. The Knights and St Vincent DePaul are working together to collect non-perishable canned and packaged food for the St. John Food Kitchen to prepare for the Thanksgiving season. Dan Murphy, our Community Director will be sharing more information soon. Please contact Dan to offer your help. The date is November 6-7th. Look for the SVdP yellow truck in the church parking lot.

Happy 28th Anniversary!

Let's take a minute and borrow a paragraph from the history tab of our website;

"... early 1993, a small group of parish men gathered to explore the possibility of forming a Knights of Columbus council within St. Elizabeth Ann Seton parish. The response, interest and commitment were overwhelming. In the fall of the year and on Christopher Columbus Day, Seton Council 11187 was chartered on October 12, 1993."

Chancellor's Corner

In October, the Catholic Church in the United States celebrates *Respect Life Month*, and the first Sunday of October is designated as *Respect Life Sunday*. To support these annual observances, the USCCB Secretariat of Pro-Life Activities provides materials to help Catholics understand and value the gift of human life and help build a culture that cherishes and protects it. I encourage all to check out the Respectlife.org web site Respect Life Month for the monthly agenda and other informative materials. This year there is a special emphasis on St. Joseph - Defender of Life!

We also are dedicated to praying the rosary during this month. Fr. Donald Calloway, MIC has written a wonderful book titled - *The 10 Mysteries of the Rosary*. The following is an excerpt from the book:

"In April 2014, Boko Haram kidnapped more than 200 young girls from a school in Nigeria, Africa. Boko Haram is the notorious radical Muslim group that violently slaughters non-Muslims by such means as decapitation or burning people alive.

In December 2014, Jesus appeared to a Catholic bishop in Nigeria and instructed him that the rosary was the weapon that would overcome Boko Haram. Bishop Oliver Dashe Doeme of the diocese of Maiduguri, Nigeria, claims that one evening, while he was praying his rosary, Jesus appeared to him holding a sword. During the vision, Jesus extended the sword toward the bishop. When the bishop went to take the sword from Jesus, it miraculously transformed into a rosary! Once the bishop had the rosary-sword in his hands, Jesus looked at him and said three times, "Boko Haram is gone! Boko Haram is gone! Boko Haram is gone!"

After the bishop of Maiduguri had his vision, he began to promote the rosary in his diocese in Nigeria. In many of his interviews, he repeats his vision and informs his listeners of his interpretation of the vision in the following words: "As soon as I received the sword, it turned into a rosary. I didn't need any prophet to give me the explanation. It was clear that with the rosary we would be able to expel Boko Haram." On October 13, 2016, dozens of kidnapped girls were suddenly released by Boko Haram from captivity. In May 2017, another 83 girls were released. Then, on July 3, 2017, 700 members of Boko Haram surrendered their weapons and turned themselves in to Nigerian authorities.

Many of the mysteries in the book reinforce the understanding of the rosary as just not a nice prayer, but our spiritual weapon. As Knights we should carry our rosary with us always and in our left pocket as we would carry our sword into battle. I hope you will take the time to read all of the mysteries."

Finally during October we focus on supporting the Missions. A special focus would be support for the people of Haiti. The earthquake, according to Catholic Relief Services (CRS), caused major damage to Les Cayes, the country's third-largest city. More than 1,300 have been killed and more than 5,700 injured. According to CNN, the quake leveled 13,694 homes and damaged another 13,785.

The natural calamities follow recovery from the country's 2010 earthquake, Hurricane Matthew in 2016, prolonged drought, the COVID-19 pandemic and political upheaval caused by the July 7 assassination of Jovenel Moise, the Haitian president. Akim Kikonda, CRS' country representative in Haiti reported, "Prior to the earthquake, people here were already struggling to make ends meet. It is quite possible that Haiti is going to need more help than ever before."
