600 Hill Road North,
Pickerington, Ohio 43147

1 August 2026
Volume 33 Issue 10

Dear Worthy Brothers,

Summer is winding down and the new school year for our kids and grandkids will be starting soon. Our Knight activities are rapidly come up, so please keep a copy of our Knight's calendar readily available along with all of you other calendars. Our upcoming activities are the Car Show at the end of the Parish Festival and then the Golf Dinner. Pancake breakfasts and the Fall Family Festival are also coming up. The Parish Festival is ten days away. They are looking for people to help with all of the activities. If you can help out, please do. Thank you, Brothers, for everything you do. Keep up the great work and if you are interested in possibly running a program please let me know. God Bless.

Requiescat in Pace Fratres Milites (Rest in Peace Brother Knights)

Out of charity my brothers, please pray Psalm 130 (De Profundis) or the Eternal Rest prayer for our deceased Brother Knights in Council 11187 who fell asleep in the Lord during the month of August:

† Lawrence J. Balanti - August 12, 2012

Steven Blevins

Psalm 130: A Song of Ascents.

Out of the depths I call to you, LORD;
Lord, hear my cry!
May your ears be attentive
to my cry for mercy.
If you, LORD, keep account of sins,
Lord, who can stand?
But with you is forgiveness
and so you are revered.
I wait for the LORD,
my soul waits
and I hope for his word.
My soul looks for the Lord
more than sentinels for daybreak.
More than sentinels for daybreak,
let Israel hope in the LORD,
For with the LORD is mercy,
with him is plenteous redemption,
And he will redeem Israel
from all its sins.

Happy Birthday - August

Health Corner - August 2026

Food Borne Illnesses

Happy August Brother Knights! It is the month for state and county fairs, reunions, Seton's annual festival, and back to school preparations. (Didn't kids just get out for the summer?!?) And don't forget, the first OSU football game is just around the corner. With the recent cyclospora outbreak, I thought it would be appropriate to cover other types of food borne illnesses.

The three types of diseases obtained from eating contaminated foods and liquids are parasites, viruses, and bacteria explains [foodsafety.gov](https://www.foodsafety.gov). Parasites, like cyclospora, have been over the news and social media outlets most recently, so we will focus on viruses and bacteria. We won't beat up Taco Bell in this month's article (my oldest son's favorite fast food).

[Foodsafety.gov](https://www.foodsafety.gov) indicates that sustenance poisoning most often happens with food that is contaminated with viruses and bacteria. They further state that in America, the following bacteria and viruses cause the most hospitalizations: salmonella, E.coli, norovirus, listeria, campylobacter, and clostridium perfringens. Each of these vary in symptoms and severity, but any one could ruin a fun day at the fair.

Food poisoning is nothing to shrug off if symptoms persist. According to the CDC, most food poisoning cases are mild, but sometimes can be rather severe. Worst case scenarios cause hospitalization, chronic health problems (like Meningitis, kidney and brain damage) and even death. The CDC indicates you should seek medical help right away if you suffer from the following:

- 1) Diarrhea with blood
- 2) Runny bowels that last longer than 3 days
- 3) A fever over 102 degrees Fahrenheit
- 4) Vomiting that prevents you from keeping liquids down
- 5) Any signs that indicate dehydration (like zero or minimal urine output, dry mouth and throat, or dizziness when standing)

Please play it safe Brothers, if you think you may have food poisoning. Food left out during potlucks and picnics can quickly breed bacteria. If you have any of the above symptoms, or when in doubt, call your doctor immediately. May you all have a safe and blessed remainder of summer 2026.

From the Field Agent

Every August, Knights from across the country and world gather to celebrate our Order's recent successes and look forward to what's next. This year is no exception.

I want to congratulate you on your outstanding efforts that give us reason to celebrate. We recently heard the latest, Order-wide numbers shared at the 144th Supreme Convention in Denver. Know that your council helped make that success possible. Congratulations!

I believe we're making Blessed Michael McGivney proud. We celebrate his feast day on August 13, so this month is a fitting time to ask his continued intercession for our work.

In founding the Knights, Father McGivney created a way to help men stay close to the Lord, to each other, and to help them and their families secure a financial future. He knew this was a way to strengthen families and protect them when they're at their most vulnerable. Your council continues that legacy with every program

you put on, every dollar you donate. But you also continue it when you choose financial products and services with the Knights. That's a concrete way you help make possible not just the Knights' local impact here in our community, but our impact around the world.

If you have any questions, please contact me to schedule a time to meet at gregory-dowdell.knightsagent.com

Meditation for August 2026

Powerful Saints of the Day in August 2026

We have made it to August when summer is ending, and fall is not far away. The fun of summer gives way to a return to school for the kids and family routines for the parents. High school and college sports start up, and our time is consumed in work and family life. Devices, social media, Chat GPT, text messages, reels and podcasts fill the greater part of our day. We are exhausted at the end of the day. What do we need to do?!

Maybe it's time to look for time to part with the world and refocus our spiritual life on - it's most important job - ***develop our closer relationship and reliance on God***. How many times did Christ go away to pray while he was on earth. He was God and did He need to go talk with himself. Instead, he was showing us how much we need to continually try to improve our relationship with Him. We lose focus on that which is our ultimate goal on earth is (as the Baltimore catechism stated) to know, love, honor and serve Him now and forever.

The following is a link to a YouTube video between Bishop Baron and Fr. Mike Schmitz on the cost of heaven.

https://youtu.be/J4gF_Oyl95Y?si=mE0oAen6EBhjE3jl

God called Ezekiel to a mountain cave in search of Him. He did not find him in the storm, earthquakes or fire, but in a faint whisper. We need to get out of the world for a short time (daily if possible) to try and listen for that whisper in our lives.

Please remember that August 15th is the celebration of the Assumption of Mary - Mary at the end of her earthly life, was taken body and soul into heaven.
