LABOR DAY - 07 SEPT 2026

911 REMEMBRANCE - 11 SEPT 2026 (25 YEARS)

600 Hill Road North,
Pickerington, Ohio 43147

1 September 2026
Volume 33 Issue 11

Dear Worthy Brothers,

I hope everyone has enjoyed their Labor Day weekend. This year September starts a lot of our fall and winter activities. We have our first pancake breakfast on Sept 13th. Then in October we will have our second pancake breakfast (Oct 11th), Card Knights (Oct 16th), and the Fall Family Festival (Oct 24th). These are excellent opportunities for brothers who would like to get more involved, all of these activities require help. Let's keep all of our brothers who are dealing with various health issues in our prayers.

Thank you everyone for your hard work, and God Bless.

Charles Slaby

Requiescat in Pace Fratres Milites (Rest in Peace Brother Knights)

Out of charity my brothers, please pray Psalm 130 (De Profundis) or the Eternal Rest prayer for our deceased Brother Knights in Council 11187 who fell asleep in the Lord during the month of September:

- † Timothy J. Lucas - September 7, 2018
- † James D. Barraco - September 10, 2016
- † Mark R. Bailey - September 16, 2011
- † Michael C. Kasson - September 18, 2019
- † William F. Sharon - September 29, 2022

Steven Blevins

Psalm 130: A Song of Ascents.

Out of the depths I call to you, LORD;
Lord, hear my cry!
May your ears be attentive
to my cry for mercy.
If you, LORD, keep account of sins,
Lord, who can stand?
But with you is forgiveness
and so you are revered.
I wait for the LORD,
my soul waits
and I hope for his word.
My soul looks for the Lord
more than sentinels for daybreak.
More than sentinels for daybreak,
let Israel hope in the LORD,
For with the LORD is mercy,
with him is plenteous redemption,
And he will redeem Israel
from all its sins.

Meditation for September 2026

Happy Birthday Mary mother of God!!!! September 8, 2026. There also is the feast of "The most Holy Name of Mary" on the 12th and "Our Lady of Sorrows" on the 15th, with a focus on hope, service, and the dignity of all members of the Church.

**The Seven Dolors (Seven Sorrows)
The Prophecy of Simeon (Luke 2:34-35)
Simeon foretells that a sword will pierce Mary's soul,
revealing her lifelong union with Christ's suffering.**

1. The Flight into Egypt (Matthew 2:13-21)
Mary endures fear and hardship as the Holy Family flees Herod's persecution.
2. The Loss of the Child Jesus in the Temple (Luke 2:41-50)
Mary suffers three days of anguish before finding Jesus teaching in the Temple.
3. Mary Meets Jesus Carrying His Cross (John 19:17; Luke 23:27-31)
Mother and Son meet on the Via Dolorosa, sharing silent, profound sorrow.
4. The Crucifixion and Death of Jesus (John 19:25-30)
Mary stands at the foot of the Cross, united with Christ's sacrifice.
5. Jesus Taken Down from the Cross (John 19:39-40)
Mary receives her Son's lifeless body, fulfilling Simeon's prophecy.
6. Jesus Laid in the Tomb (Luke 23:55-56; John 19:39-42)
7. Mary watches Jesus' burial, experiencing desolation and final separation.

Too many times, we see Mary as just accompanying Jesus in His life instead of meditating on the immense suffering she experienced throughout her life. Mary's suffering was entwined with her Son's. Take some time this month to reflect on these Seven Dolors of Mary and thank her for her strength and bravery to suffer these for our sake.

Also remember that September is **Suicide Prevention Month**. Many people don't realize that suicide is becoming far too prevalent in our society. Take the time to visit the NAMI site listed below for more information on this subject. [Suicide Prevention Month | NAMI](#)

Health Corner - September 2026

Medications Part 1:

Herbal Supplements and Medications

Hello Brother Knights, our next topic in the Health Corner article affects most of us. Since it is so important, I am breaking this topic into two different parts. Part one for this bulletin and part two for October. The topic we will look at is Medication. According to a recent study from the Consumer Health Products Association, about 62% of Americans ages 18 and over take at least one prescription medication. With the popularity of herbal and non-herbal dietary supplements, I thought it prudent to look at the potential dangers of taking supplements with prescription medication, without first consulting your Doctor.

Like many of us, I take medications and supplements. Acid re- flux is one of the conditions in which I take a prescription medication to treat. I had heard that Aloe Vera juice was good for treating acid re-flux and protecting the stomach and esophagus. Knowing sometimes prescription meds can have some dangerous interactions with supplements, I decided to do some research to make sure Aloe Vera was OK for me to take. I used a website called Drugs.com to screen for any potential drug interactions.

For the last 10 years I have been taking a fish oil non-herbal dietary supplement due to the heart health benefits it offers. My annual physical blood work over the last several years has been well within normal ranges except my albumin (liver) levels. After I did the Drugs.com search with my prescriptions and Fish oil, imagine my surprise when it came back with a potential interaction between fish oil and elevated liver levels.

While this example did not directly show a drug interaction, it did alert me to how non-herbal supplements can affect my body. Now imagine if one of my prescription drugs can also raise liver levels? Not a good thing. I plan to speak with my doctor at my next physical and in the meantime will stop taking Fish Oil supplements until I can review all my supplements and medications with my doctor. Brothers, if you haven't already, please talk to your doctor if you are taking supplements together with prescriptions meds, or if you are thinking about starting any kind of dietary supplement.

From the Field Agent

I want to start off this month's message with an interesting, but lesser-known story about Father McGivney. We know our Founder cared deeply about the lives of his parishioners and strengthening their sense of community. He was also very practical about what a parish community most often needs: money.

One fall, with St. Mary's in debt to creditors, he led an ingenious combination fundraiser and social event. St. Mary's hall turned into a coffeehouse filled with music, dancing, skits, dessert and, of course, coffee, which was a profitable draw at the time. The party was only supposed to last one night, but the people of New Haven kept coming and drew it out for a week! In the end, Father McGivney was able to pay down a good amount of the debt — and further solidified his reputation as a priest deeply embedded in the life of his parish.

Father McGivney recognized and valued the things that really matter: God. Fellowship. A sense of belonging and the space to reinforce

those ties of friendship, mutual support and common faith.

Brothers, September is Life Insurance Awareness Month, but what I'd like to propose is that we think of it as "The Things That Matter" Month. What does your family value? What are the pillars of your family culture? What do you want to preserve for them when you're no longer here?

Life insurance can be a big part of that. Maybe you want to protect the home that shelters your family, that's set the stage for so many memories and is a safe haven for your children to return to. Maybe you want to ensure that your children — or grandchildren — will have access to high-quality education. Or maybe you want to safeguard a family business or a similar legacy that can continue to provide for your loved ones.

We can talk about these options and more, and whether they might best be covered by temporary or permanent policies. Ideally, I want to help you match your insurance coverage not just with your basic needs, but with the things that your family deems most important to preserve.

This month, I challenge you to think about what those things are. And if you don't have a plan to protect them, give me a call.
